

DON'T STOP. JUSTGO!

Our AI vision technology delivers fast, effortless entry, exit, and payment using just a license plate - no pay stations required! Customers stay out of the elements while you lower operational costs.

HOW IT WORKS

AI-powered License Plate Recognition identifies vehicles the second they drive onto your ungated lot. After a one-time sign up, just drive in next time and get a text - **no apps, no walking, no paper tickets.**

WHAT YOU GET

An auto entry, exit and payment experience - with no pay stations needed - keeps customers happy. 24/7 automated enforcement **maximizes revenue while minimizing operating costs.**

 Ungated Locations

Automatic Payment. Automated Enforcement.

With JustGo for ungated locations, customers simply drive in to start, and drive out to automatically pay - without the pay station. Our fixed AI vision technology provides 24/7 automated enforcement, ensuring the highest possible compliance and revenue.

AI-powered - just drive in & drive out.

Staff-free, automated enforcement.

Automatic payment when you leave.

Free white labeling for your brand.

Fast, one-time mobile sign up.

Integrates with LAZ Business Intelligence.

Your Car is Your Ticket

AI cameras instantly start a customer's stay and send a welcome text. At exit, they simply drive out - we match their plate, charge their card, and send their receipt.

Works Everywhere

Sign up is as fast and easy as scanning a QR sign. After that, it's fully automatic at every JustGo and Scan&Go location.

Data that Boosts Operations

Integrates with LAZ Business Intelligence, providing actionable insights to optimize profitability.

24/7 Instant Customer Care

Support when you need it, how you need it. Live phone support options ensure a real human experience.
