

QR & GO

Paying at gated locations is now as easy as a few quick taps on your phone.

At **gated locations**, QR & Go gives customers a convenient way to pay for parking on their phones. **No app to download and no reservation needed!**

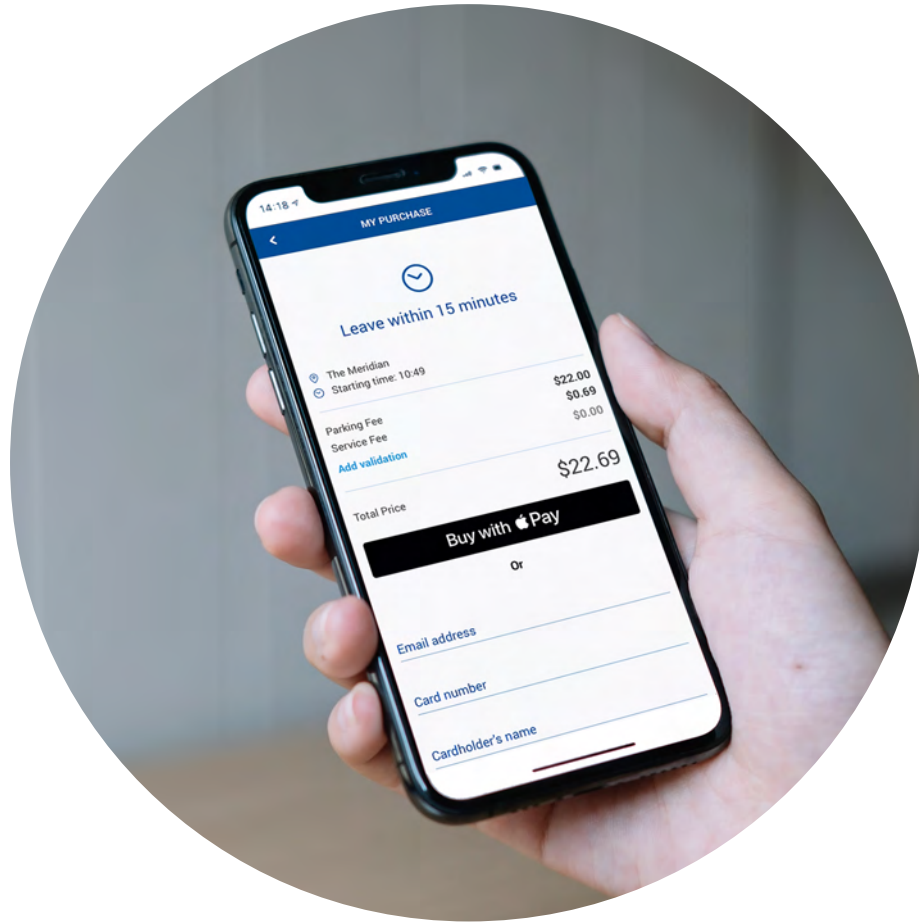

**YOUR PHONE IS
YOUR TICKET**

Customers simply scan their ticket, pay on their phone and show the phone's QR at the exit kiosk. They'll get an instant email from us with their receipt.

**APPLE PAY, GOOGLE PAY
OR CREDIT CARD**

No typing necessary! Just a few quick taps on their phone and customers can easily pay with Apple Pay and Google Pay - just like they're used to.

**NO APP TO DOWNLOAD &
NO ACCOUNT TO SET UP**

Customers don't need to create an account or download an app. As long as they have a phone, they can pay for their parking with just a few taps.

LAZ's QR & Go gives customers **a quick and easy way to pay** at gated locations with their phones.
