

HARDWARE AS A SERVICE

Future-ready parking & mobility platform.
Budget ready forever.

The latest PARCS hardware and software, a simple subscription plan, and zero upfront cost. A future-proof solution for the parking & mobility landscape.

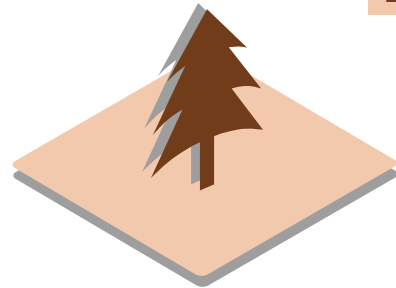

**THE LATEST PLATFORM.
COMPLETELY CAPEX FREE**

A simple month to month payment plan with no upfront costs for hardware, installation, warranty, software or software upgrades. Ever!

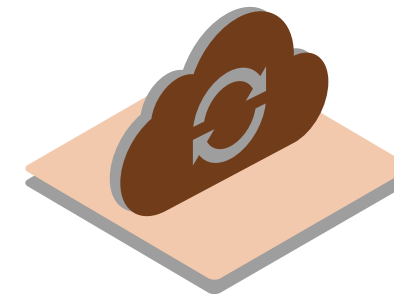

**LIFETIME HARDWARE WARRANTY.
EVERGREEN SOFTWARE**

Born in the cloud with unrivaled intelligence for future-ready infrastructure. Over-the-air (OTA) software updating means perpetual PCI compliance, no site visits and no downtime.

**CONNECTED TO EVERYTHING.
RIGHT OUT OF THE BOX**

It comes connected to One Time & Subscription eCommerce, our 24/7 US Customer Care Center, the advanced analytics power of LAZ Business Intelligence & unlimited validation users.

The LAZ Hardware as a Service (HaaS) platform. Budget friendly, scalable and infinitely upgradeable. Solve today's customer demands now. Meet tomorrow's unknowns head-on.
