

Scan&Go

SCAN. PARK. DONE.

Boost revenue with a simple, kioskless gated experience that works with just a few QR signs and your existing modern gates. Deliver instant customer satisfaction with no citations or accounts receivable.

HOW IT WORKS

Using **QR technology**, customers simply scan signs to enter, pay, and exit. **They are only charged for the time they stay.** Next time, their info auto-fills for an even faster experience at any Scan&Go location.

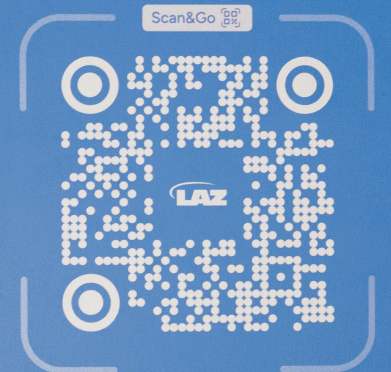

WHAT YOU GET

A faster, more profitable gated operation that ensures higher compliance, maximum revenue capture, and a smoother overall experience - all with **zero equipment investment.**

More Revenue Capture. Less Expense.

QR signs give customers an easy entry, payment, and exit experience while gates guarantee payment. With no kiosks and minimal staffing or enforcement required, Scan&Go for gated locations significantly reduces both your CapEx and OpEx.
