

PAPERLESS EXIT

Paying at gated locations is now as easy as a few quick taps on your phone.

At **gated locations**, Paperless Exit gives customers a convenient way to **pay for parking on their phones**. No app to download and no reservation needed!

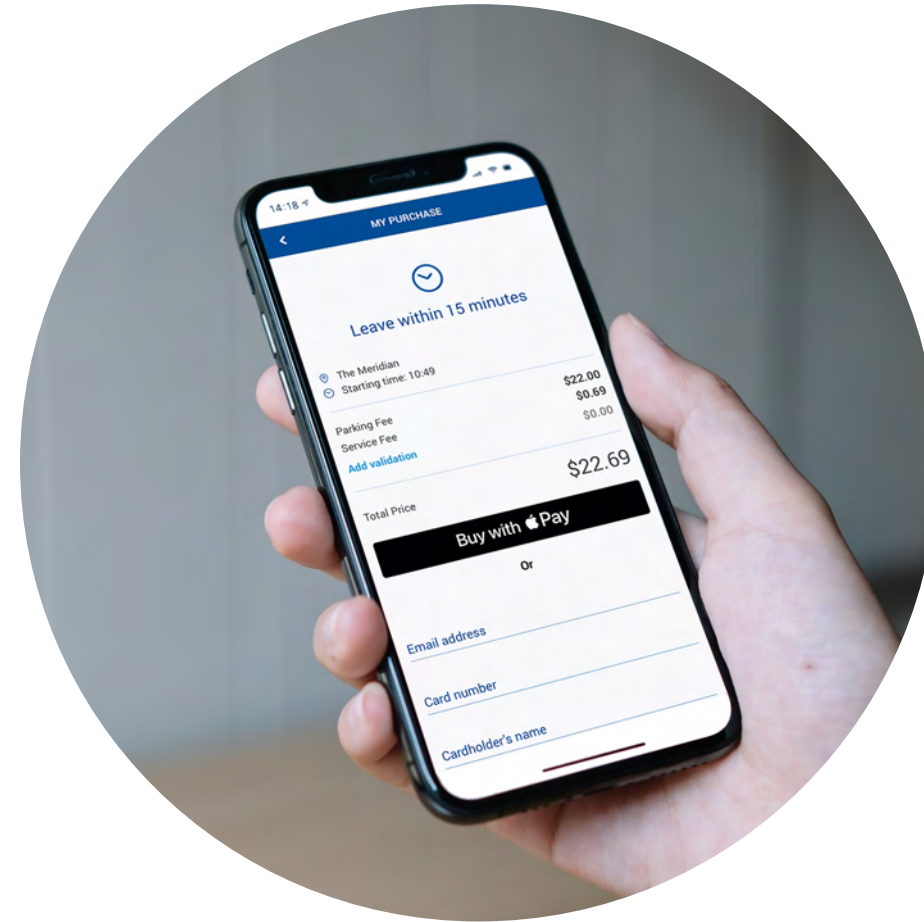

YOUR PHONE IS YOUR TICKET

Customers simply scan their ticket, pay on their phone and show the phone's QR at the exit kiosk. They'll get an instant email from us with their receipt.

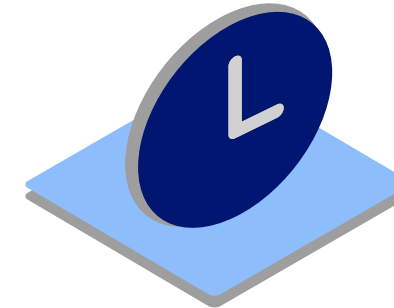

APPLE PAY, GOOGLE PAY OR CREDIT CARD

No typing necessary! Just a few quick taps on their phone and customers can easily pay with Apple Pay and Google Pay - just like they're used to.

NO APP TO DOWNLOAD & NO ACCOUNT TO SET UP

Customers don't need to create an account or download an app. As long as they have a phone, they can pay for their parking with just a few taps.

LAZ's Paperless Exit gives customers a **quick and easy way to pay** at **gated locations** with their phones.
