

Scan&Go

 Ungated Locations

PARKING AS SIMPLE AS SCANNING A QR

The easiest, most cost-efficient way to boost revenue capture at ungated locations. Eliminate pay stations and lower operating costs with a friendly QR experience that customers are familiar with.

HOW IT WORKS

Using **QR technology**, customers pre-pay for parking just by scanning a sign - **no equipment, no apps, no passwords**. Next time, their info auto-fills for an even faster experience at any Scan&Go location.

WHAT YOU GET

A **fully digital experience** that eliminates equipment and speeds up payment, **boosting compliance, increasing revenue, and reducing operational expenses**.

Go-Live Fast - Without the Equipment

Scan&Go transforms ungated locations to easy, mobile payments with zero equipment investment. QR signage offers the fastest go-live deployment, enabling you to launch quickly and operate more efficiently with minimal staffing and enforcement.

QR technology - pre-pay just by scanning a sign.

Zero equipment investment.

Remote time extension & text reminder options.

Free white labeling for your brand.

Sign up once, info auto-fills next time.

Integrates with LAZ Business Intelligence.

Just Scan Once for Easy Payment

Customers scan any QR sign, then add their info and payment details. No app to download, or password to remember.

Extend Your Stay on Your Phone

Easily extend time remotely, or drive out when time is up - flexibility built in.

Sign Up Once. We'll Remember You

Sign up is as fast and easy as scanning a QR sign. Next time, it's a one-touch payment at all Scan&Go locations.

Data that Boosts Operations
