

# LAZ PARKING APP

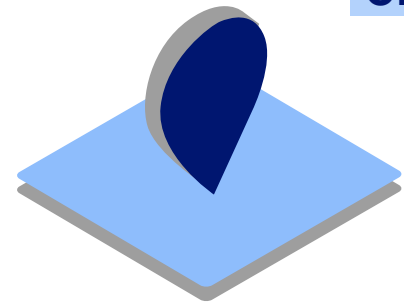

The **simplest and fastest** way to find  
and pay for **parking**.

The LAZ Parking app is free to download from the Apple or Android store and gives LAZ customers the fastest, simplest and most secure way to get guaranteed parking at the best, direct prices.

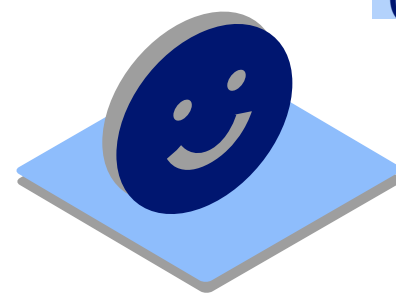

### SEARCH, PAY AND BE ON YOUR WAY

Park Now, Reserve Ahead and search for Event Parking. Guarantee your space at the best prices. Get directions, find your location and park nearby to be wherever you need to be - as fast and easy as possible.

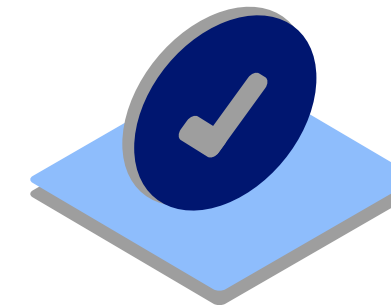

### PAY WITH YOUR FACE (OR FINGERPRINT!)

Sign up and never enter your info again. Save your vehicle and payment method and pay to park in just a few taps. All secured with your gorgeous face (or fingerprint).

### GET GOING FAST, OR EXTEND AND RELAX

Regular parkers know how to save time! Park Now in just a few swipes and tap once to repeat your last purchase. Or extend your time from afar if your lunch runs long - only on the LAZ app.

The LAZ parking app is as **handy and powerful** as your phone, making searching, finding and paying for parking as fast and easy as **just a few taps**.
